October is Member Appreciation Month

87 years and still going strong! We've come a long way since our beginning back in 1935. We've introduced new products along the way and all were designed to make our members' lives easier. Be sure to check out our newest offering – the unLOCK loan coming in the 4th quarter. This is a line of credit loan you can use to pay off a high-rate credit card or to tackle an unexpected expense – all at the low rate of 5.99% apr. Access this credit line through home banking and take care of your finances on your terms.
